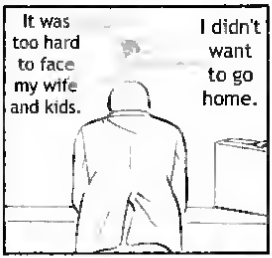
I hadn't found a job that day either.



It was too hard to face my wife and kids.
I didn't want to go home.

Suddenly... as I was looking down at the surface of the river...

I don t have to be hung up on getting an office job
I can deliver news papers or be a shop clerk

If there's no work I can start by getting a part time job

We can humble ourselves and live with my wife's parents if necessary.
We'll move into a place that allows pets.
